CARSON'S CABIN at *Eagle Bluff* is ready for your river trip! The cabin is air-conditioned, with carpet and tile floors, and opens onto a large covered porch. The living area includes a couch seating area with satellite TV and a dining table seating eight. Another dining table is in the kitchen which has some utensils, a stove, refrigerator/freezer, microwave, and coffee pot. We recommend disposable plates and cups. A charcoal grill outside makes group cooking and clean up easier. The Sleeping Quarters sleep up to eighteen people in three sets of bunk beds and four double beds with single bunks above. There are two three-quarter bathrooms. Each person furnishes his or her own sleeping bag or linens, a pillow and towel. See the simple floor plan below. Sand volleyball and basketball courts are out back.
