GAVIN'S CABIN at *Eagle Bluff* is ready for your river trip! This three bedroom cabin is air-conditioned and has a living room with satellite TV, a dining room, and a full kitchen with some utensils, stove, microwave, coffee pot, and refrigerator/freezer. We suggest disposable plates and cups. A charcoal grill on the outside back patio makes group cooking and clean up easier. The first bedroom 1 has one double bed. Bedrooms 2 and 3 each sleep five in a set of single bunks and a single over double bunk set. Total sleeping accommodates up to twelve people. The bathroom has a tub/shower. Each Guest furnishes his/her own sleeping bag or linens, a pillow and towel. A simple floor plan is shown below.

Gavin's Cabin has been remodeled for 2018. We're sure you'll enjoy the changes. Please be sure to check the revised floor plan and bedroom descriptions.
